DISCRIMINATION, HARASSMENT, AND RETALIATION

The technology center is committed to providing all students and employees with a safe and respectful school environment. Both state and federal law specifically prohibit harassment of or by employees and students in connection with the district.

The district prohibits discrimination, harassment or retaliation based on real or perceived race, color, sex, pregnancy, gender, gender identity or expression, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information. This prohibition applies to students, employees and board members in any aspect of the district's programs, including during school hours, extracurricular activities, technology center sponsored events, or outside of school hours if the conduct affects the education or working environment.

Definitions

“Employee” for purposes of this policy, includes all technology center employees, board members and volunteers.

“Student” refers to any person who is enrolled in any program.

“Discrimination” means unfair treatment which is based on a person's real or perceived race, color, sex, pregnancy, gender, gender identity or expression, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information.

Examples of discrimination include, but are not limited to: Refusing to consider a person for a position or declining to enroll a student in a program based on legally discriminatory factors. Harassment can be a specific form of legally prohibited discrimination.

“Harassment” means repetitive, unwelcome conduct which is based on a person's real or perceived race, color, sex, pregnancy, gender, gender identity or expression, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information.

Examples of harassment include, but are not limited to: slurs, epithets, insults, jokes or derogatory comments; verbal or physical abuse; intimidation (physical, verbal or psychological); impeding or blocking a person's movement; unwelcome touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, pressure for sexual activity whether written, verbal or through physical gestures, display or sending of pornographic pictures or objects, obscene graffiti, and spreading rumors related to a person's alleged sexual activities. Demeaning comments about a student's ability to excel in a class historically considered a “boy's” or a “girl's” subject may also constitute harassment.

“Sexual harassment” is a type of harassment which includes unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature which:

- is made an explicit or implicit term or condition of an employee’s employment or a student’s ability to obtain an education; or
- is used as a basis for decisions impacting either an employee’s employment or a student’s education; or
- has the purpose or effect of unreasonably or substantially interfering with an employee’s work performance or a student’s educational performance, or creating an intimidating, hostile, or offensive environment.

In order to constitute sexual harassment, the conduct at issue must be unwelcome. Sexual conduct between minor students and employees will always be considered unwelcome. Sexual harassment also includes conduct such as rape, sexual assault, stalking, and any other form of sexual violence.

Sexual harassment may occur between persons of the same gender or sex.

Nothing in this policy precludes legitimate, nonsexual physical contact to avoid physical harm to persons or property.

“Retaliation” is any negative conduct which is taken in response to an individual’s complaint of harassment or discrimination, or participation in any investigation of a harassment or discrimination complaint.

Reporting

Students who have been harassed or discriminated against, or who witness such conduct, are encouraged to report the offensive conduct to any instructor, counselor, administrator, or board member.

Employees who witness, suspect or receive a report of harassment or discrimination must immediately report the incident to the superintendent or a board member – even if that report must be made after hours to the superintendent or board members home or cell phone.

Any employee who receives a harassment, discrimination or retaliation report will immediately refer the matter to the superintendent or the Title IX coordinator, unless the superintendent or Title IX coordinator is the alleged malfeasant. In such circumstances, the complaint will be referred to the board president or the district’s legal counsel. To ensure impartiality, no person who is the subject of a complaint shall conduct any investigation into the improper conduct.

If possible, reports should be made in person and/or in writing, and be signed by the reporting party. However, in order to encourage full, complete and immediate reporting, any person may report such incidents anonymously in writing by mailing the report to the personal attention of either the superintendent or a board member. All reports should state:

- the name of the alleged harasser;

- the person(s) being harassed;
- the nature, context and extent of the prohibited activity;
- the dates of the prohibited activity, and;
- any other information necessary to a full report and investigation of the matter.

Any employee who is subjected to job related sexual harassment is entitled to protection under Title VII of the Civil Rights Act of 1964 and the Oklahoma Anti-Discrimination Act. Individuals may simultaneously report an allegation of this type of misconduct to school officials and to the United States Equal Employment Opportunity Commission, the Oklahoma Human Rights Commission, or local law enforcement.

Administrative Response

The district will promptly, thoroughly and impartially investigate all reports of harassment and discrimination. This process will include:

- A statement from the individual who was allegedly harassed;
- Appropriate and reasonable steps to separate and protect the alleged victim pending conclusion of the investigation and necessary remedial action;
- Reasonable updates to the alleged victim of the investigation's progress, subject to federal and state laws and regulations;
- Interviews with the alleged harasser, alleged victim and witnesses; and
- Review of relevant documents, including district files and records.

The district will review all relevant facts and take into account the totality of the circumstances - including the nature, extent, context and gravity of the activities. At the conclusion of this process, the superintendent, in conjunction with the Title IX coordinator, will issue findings based on the preponderance of the evidence and take appropriate measures, including but not limited to: education, information on available outside resources, training and counseling, transfer, suspension, removal from a program, and any other appropriate remedy under the circumstances. Employees may also be terminated for engaging in harassment, discrimination or retaliation.

Confidentiality shall be maintained during and after the investigation to the extent reasonably possible. However, public disclosure of personal or confidential employee information may be made during the course of any suspension, dismissal, non-renewal hearing or resulting litigation.

Penalties

Penalties shall be imposed based on the facts taken as a whole and the totality of the circumstances such as the nature, extent, context and gravity of such activities or incidents.

Any employee or student engaging in harassment, discrimination or retaliation will be subject to any and all disciplinary action allowed by school policy and Oklahoma law.

**GRIEVANCE PROCEDURE FOR
FILING, PROCESSING AND RESOLVING COMPLAINTS
ALLEGING DISCRIMINATION, HARASSMENT AND RETALIATION**

Definitions

Complaint: A written or verbal complaint alleging any action, policy, procedure or practice that discriminates on the basis of race, color, sex, pregnancy, gender, gender expression or identity, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information (including harassment and retaliation).

Grievant: Any person enrolled in or employed by the technology center or a parent/guardian of a minor student, or member of the public who submits a complaint alleging discrimination based on race, color, sex, pregnancy, gender, gender expression or identity, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information (including harassment or retaliation). For purposes of this policy, a parent or guardian's complaint or grievance shall be handled in the same manner as a minor student's complaint would be.

Coordinator(s): The person(s) designated to coordinate efforts to comply with and carry out responsibilities under Title VI of the Civil Rights Act, Title IX of the Education Amendments of 1972, Title II of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act and any other state and federal laws addressing equal educational opportunity. The Coordinator under Title VI, IX, Section 504/Title II and the Age Act is responsible for processing complaints and serves as moderator and recorder during hearings. The Coordinator of each statutory scheme may be the same person or different persons, but each coordinator will receive relevant training in order to perform his/her duties. The designated coordinators are the assistant superintendents and counselors at each site. Contact information is:

Respondent: The person alleged to be responsible for the alleged discrimination contained in a complaint. The term may be used to designate persons with responsibility for a particular action or those persons with supervisory responsibility for procedures and policies in those areas covered in the complaint.

Day: Day means a working day when the technology center's main administrative offices are open. The calculation of days in complaint processing shall exclude Saturdays, Sundays and legal holidays.

Filing, Investigation, Hearing and Review Procedures

The Grievant submits a written or verbal complaint to one of the Coordinators, as applicable, stating the basis, nature and date of the alleged discrimination, harassment or retaliation, the names of persons responsible (where known) and requested action. If the applicable Coordinator is the person alleged to have committed the discriminatory act(s), then the complaint should be submitted to the superintendent for assignment. Complaint forms are available from the offices of the district's Coordinators.

The Coordinator conducts a complete and impartial investigation within 10 days of receiving the complaint, to the extent reasonably possible, which shall include but not be limited to, interviewing the Grievant and any witnesses, review of documents and interviewing the Respondent. The Coordinator will ask the Respondent to (a) confirm or deny facts; (b) indicate acceptance/rejection of the Grievant's requested action; and (c) outline alternatives.

The Coordinator will not delay the investigation of the discrimination complaint, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations, and the Coordinator will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by the district's grievance policy.

As to complaints of discrimination by students, parents/guardians of minors, and school employees, the Coordinator will disclose the complaint, the identity of the Grievant and information regarding the person who allegedly committed the discriminatory act only to the extent necessary to fully investigate the complaint and only when the disclosure is required or permitted by law. If a Grievant wishes to remain anonymous, the Coordinator will advise him or her that such confidentiality may limit the district's ability to fully respond to the complaint. If a Grievant asks to remain anonymous, the Coordinator will still proceed with the investigation.

Within 5 days after completing the investigation, the applicable Coordinator will issue a written decision to the Grievant and Respondent. The report will include (a) a summary of facts, (b) an analysis of the appropriate legal standards applied to the facts, and (c) findings regarding whether the alleged discrimination occurred. If a finding is made that discrimination occurred, the Coordinator's report shall also contain (a) recommended interim and permanent steps, including examples of the range of possible disciplinary sanctions and remedies available to address the discriminatory effects on the grievant and other, necessary to eliminate the discrimination, prevent its reoccurrence, and remedy its effects, as well as (b) the resources, including medical and counseling resources, that are available to students and witnesses. The decision will be based on a preponderance of evidence standard (i.e., it is more likely than not that the alleged discrimination occurred).

If the Grievant or Respondent is not satisfied with the decision, he or she must notify the applicable Coordinator, in writing, within 5 days and request an appeal to the superintendent. The written appeal shall contain a specific statement explaining the basis for the appeal.

Within 5 days after receiving the appeal request, the applicable Coordinator will refer the matter to the superintendent for a hearing. At the hearing and as far as practicable, efforts should be made to prevent the Grievant and Respondent from personally questioning and cross-examining each other. Additionally, the Grievant and Respondent will be afforded similar rights (i.e., timely access to information that will be used at the hearing, opportunity to present his or her side of the story, presentation of character witnesses, review of party statements). If the superintendent is the person alleged to have committed the discriminatory act(s), then a different decision maker will be appointed to maintain impartiality. The Coordinator will schedule the hearing with the Grievant, the Respondent and the superintendent. The hearing will be conducted within 10 days after the Coordinator refers the matter to the superintendent for hearing.

The superintendent will review the information collected through the investigation and may ask for additional oral or written evidence from the parties and any other individual he or she deems relevant. The applicable Coordinator will make arrangements to audiotape any oral evidence presented. In circumstances involving allegations of sexual harassment, the Coordinator may determine that it is appropriate and reasonable to separate the individual who is allegedly being sexually harassed from the alleged harasser in the hearing.

Within 5 days after completing the investigation the superintendent will issue a written decision to the Grievant and Respondent.

If the Grievant or Respondent is not happy with the decision, he or she must notify the superintendent, in writing, within 5 days, and request an appeal to the board of education. The written appeal shall contain a specific statement explaining the basis of the appeal.

The superintendent will notify the board of education, in writing, within 5 days after receiving the appeal. The clerk will place the appeal on a board agenda within 30 days from the date of notification to the board of education.

The board will act as an appellate body by reviewing the decisions and the oral and written evidence presented below and making a decision. At the board meeting, the board may ask for oral or written evidence from the parties and any other individual it deems relevant. The clerk will make arrangements to audiotape any oral evidence presented. Within 5 days of the meeting, the board will issue a final decision in writing to all parties involved.

General Provisions

Duty of District Employees to Report Alleged Discrimination: District employees, supervisors and administrators are required to immediately report any complaints, reports, observations, or other alleged information of alleged discrimination, including harassment and retaliation, to the designated coordinator, even if that district employee is investigating the alleged discrimination as part of the district's student or employee disciplinary process, and provide the Complainant with information for filing a complaint form if requested, and contact information for the district's designated coordinator. If the district is using its disciplinary procedures to investigate

and resolve an alleged discrimination complaint, those disciplinary procedures will comply with the district's standards for a prompt and equitable grievance procedure.

Extension of time: Any time limits set by these procedures may be extended by mutual consent of the parties involved. The total number of days from the date the complaint is filed until the board of education issues a final decision shall be no more than 120 days.

Access to Regulations: Upon request, the Coordinator shall provide copies of any regulations prohibiting discrimination on the basis of race, color, sex, pregnancy, gender, gender expression or identity, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information.

Confidentiality of Records: Complaint records will remain confidential, to the extent allowed by law, unless permission is given by the parties involved to release such information. All complaint records will be kept separate from any other records of the district. No complaint record shall be entered in any personnel file unless adverse employment action is taken against an employee. Complaint records shall be maintained on file for three years after complaint resolution.

Representation: The Grievant and the Respondent may have a representative assist them through the grievance process and accompany them to any hearing.

Corrective Action: After all facts and circumstances are reviewed, the district shall take any and all disciplinary actions to prevent further harassment or discrimination. Possible disciplinary or remedial actions include, but are not limited to: education, training and counseling, transfer, and/or suspension of a secondary student, expulsion of an adult student, and education, training, counseling, transfer, suspension and/or termination of an employee.

Retaliation: The district prohibits retaliation, intimidation, threats, or coercion of any person for opposing discrimination or for participating in the district's discrimination complaint process or making a complaint, testifying, assisting, appealing, or participating in any other discrimination complaint proceeding or hearing. The district will take steps to prevent the alleged perpetrator or anyone else at the district from retaliating against the alleged victim or any person who acts to oppose discrimination or participates in the complaint process. These steps include notifying students and employees that they are protected from retaliation, making sure that victims know how to report future problems and making follow-up inquiries to see if there have been any new incidents. If retaliation occurs, the district will take strong responsive action.

Basis of Decision: At each step in the grievance procedure, the decision maker will take or recommend the taking of appropriate measures based on the facts, as revealed by the investigation and hearing, taken as a whole, and the totality of the circumstances, such as the nature, extent, context and gravity of the activities or incidents.

Notice: The district will notify all students, parents or guardians, members of the public and employees of the name, office and telephone number of each Coordinator and this Grievance Procedure in writing via school publications and/or postings at each campus to which employees or students are assigned.

Outside Assistance: Individuals may also file complaints alleging discrimination, harassment or retaliation with the Office of Civil Rights. The OCR may be contacted at:

DISABILITY ACCOMMODATIONS

It is the policy of the board of education to take reasonable steps to accommodate our employees, patrons and students with disabilities.

Employment opportunities will not be withheld from any qualified person solely because of a known disability. The technology center will make reasonable accommodations to the known physical or mental limitations of a qualified person, unless it can be shown that the accommodation would impose an undue hardship on the operation of this technology center.

For the purposes of this policy, the term “reasonable accommodation” may include making existing facilities used by employees readily accessible to and usable by individuals with disabilities; and job restructuring, part-time or modified work schedules, re-assignment to a vacant position, acquisition or modification of equipment, modifications or examinations and training, the provision of qualified readers and other similar and reasonable accommodation.

Plan for Assessing Undue Hardship

The technology center is not required to provide an accommodation if it will impose an undue hardship on the operation of its business. Undue hardship is defined by the Americans with Disabilities Act ("ADA") as an action that is excessively costly, extensive, substantial, or disruptive, or that would fundamentally alter the nature or operation of the business.

The technology center will evaluate and determine whether a particular accommodation will impose an undue hardship on a case-by-case basis. The factors to be considered are as follows:

1. The nature and cost of the accommodation needed.
2. The financial resources of the facility making the accommodation, the number of employees, at the facility, and the effect on expenses and resources of the facility.
3. The overall financial resources, size, number of employees, and type and location of facilities of the entity covered by the ADA.
4. The operation of the technology center including the structure and functions of the work force, the geographic separateness, and the administrative or fiscal relationship of the facility involved in making the accommodation to the larger entity.
5. The impact of the accommodation on the operation of the facility that is making the accommodation.

Each of the related factors will be considered in determining whether an accommodation will pose an undue hardship. The ADA compliance officer will investigate the accommodations under consideration and will issue a report examining the accommodations in view of the factors listed.

SERVICE ANIMALS

Purpose

The purpose of this policy is to establish procedures for the use of service animals in the technology center, including school buildings, school vehicles and other school property.

Policy

The technology center acknowledges its responsibility to permit students and/or adults with disabilities to be accompanied by a service animal in its facilities and programs and intends to comply with all state and federal laws, rules and regulations regarding the use of service animals by technology center employees and students with disabilities.

Definitions

“Service animal” is defined by the Americans with Disabilities Act (ADA) as any service dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual’s disability. Service animal is limited to the animals defined under the ADA and does not include any other species of animal, wild or domestic, trained or untrained. Service animal does not include an animal used or relied upon for crime deterrence, emotional support, well-being, comfort, or companionship.

“Employee” is defined as a person who is employed by the technology center on a part or full-time basis, with or without compensation, and elected or appointed members of the technology center’s board of education.

“Student” means a child who is currently enrolled at the technology center, and includes the parents and guardians of a child who is (a) under the age of 18, or (b) otherwise unable to manage their own affairs.

Procedures/Requirements

The use of service animals by employees and students with disabilities is subject to the following procedures and requirements:

- A. The employee or student will submit a notification of the intent to use a service animal to the technology center’s assistant superintendent of the respective campus. The notification will identify whether the service animal is required

because of the person's disability, and, if so, identify and describe the manner in which the service animal will meet the individual's particular need(s).

- B. Notifications for the use of service animals on technology center property will, whenever possible, be made at least one week prior to the proposed use of the service animal.
- C. As part of the technology center's consideration of the use of a service animal, the technology center may require certification of proper vaccinations verified by a veterinarian.
- D. The technology center's review of use of a service animal may include consideration of a student's IEP or Section 504 records. The technology center may also request a meeting with the employee or student.
- E. The use of a service animal on technology center property may be subject to a plan that introduces the service animal to the school environment, any appropriate training for staff and students regarding interaction with the service animal, and other activities or conditions deemed necessary by the technology center. The technology center's approval of the use of a service animal on technology center property is subject to periodic review, revision, or revocation by technology center administration.
- F. Service animals will wear proper identification and will always be on a leash or other form of restraint mechanism. It is the responsibility of the employee or student who uses a service animal pursuant to this policy to serve as the handler or arrange for a third party handler to provide proper handling of the service animal. Any cost incurred to handle the service animal will be the responsibility of the employee or student who uses the service animal.
- G. Service animals will be allowed in technology center vehicles when:
 - 1. The inclusion of the service animal is documented as required on technology center transportation forms; and
 - 2. The service animal is under the control of the handler at all times, including entering and exiting the vehicle.
- H. The responsibility for the care and supervision of the service animal rests solely on the employee or student. The technology center is not responsible for providing any staff member to walk the service animal or provide any other care or assistance to the animal. Issues related to the care and supervision of service animals will be addressed on a case-by-case basis in the discretion of the building administrator.
- I. Pursuant to federal law, the technology center retains discretion to exclude or remove a service animal from its property and transportation if:
 - 1. The service animal is out of control and/or the service animal's handler does not effectively control the service animal's behavior;

2. The service animal is not housebroken;
3. The service animal poses a direct threat to the health or safety of others that cannot be eliminated by reasonable modifications; or,
4. Permitting the service animal would fundamentally alter the nature of the service, program, or activity.

Liability

The employee or student will be responsible for any damage to technology center or personal property and any injuries to individuals caused by the service animal. The employee or student who uses a service animal on technology center property will hold the technology center harmless and indemnify the technology center from any such damages.

Visitors

Any visitor requiring the accompaniment of a service animal for purposes of this policy is welcome in all areas of technology center facilities and programs that are open to the public (except in situations determined to apply under item I. in the Procedures/Requirements section, above).

Appeals and Grievances

Any person dissatisfied with a decision concerning a service animal can file a grievance, using the technology center's grievance procedures.

Requirements for Service Animals

Licensing: All service dogs must be licensed as may be required by state and/or local law.

Owner ID and Other Tags: Dogs may be required to wear a current dog license and rabies-vaccination tag, unless the dog is permanently and uniquely identified with a microchip implant or tattoo.
