RED BANNER UPDATE

Date: April 26, 2021

Re: HB 1026

Signed: April 20, 2021

Effective: November 1, 2021

Topic: CLEET Training Programs at Technology School Districts

Summary: This Act permits the Council on Law Enforcement Education and Training (CLEET) to establish and certify additional law enforcement and criminal justice programs at state-sponsored technology center schools for teaching students between sixteen (16) and nineteen (19) years of age. Tuition and fees for such courses must be similar in cost to other vocational and technical education courses and subjects offered at technology center schools and shall be determined by the State Board of Career and Technology Education.
