Re: SB 930

Signed: May 5, 2023

Effective: November 1, 2023

Topic: **AeroSPACE Program**

Summary: This bill amends an existing law (3 O.S. § 85) regarding a voluntary program of the Oklahoma Aeronautics Commission, which is offered through a partnership with primary, secondary, career technology and higher education providers to respond to workforce needs of the aviation and aerospace industry. The program will now be known as the “AeroSPACE Program” or “Aero Student Pathways for Aerospace Careers and Education.”

The AeroSPACE Program involves collaboration with industry and acts as a facilitator for the collection and sharing of information, development and implementation of activities, and dissemination of resources concerning aerospace education. The primary goal of the program is to establish a common statewide strategy for implementing aerospace educational curriculum initiatives to better prepare students for aviation and aerospace careers.
