Federal Pell Grant

Free Application for Federal Student Aid (FAFSA)

The Federal Pell Grant program is a federally funded program which provides funds for educational expenses to adult students enrolled in financial aid approved, post-secondary education career options. Federal Pell Grants do not have to be repaid. Pell Grant amounts are dependent on the following:

- Student's expected family contribution (EFC) as determined by the U.S. Department of Education using a standard formula to evaluate financial information (including income, assets, and family size)
- School's cost of attendance
- Student's enrollment status (full-time or half-time)
- Student's actual number of clock hours attended

All adult students are encouraged to complete the FAFSA by applying at <https://fafsa.ed.gov>. The NWTC Federal School Code is 026000.

Application information is provided on the back of this form.

****NWTC does not participate in any student loan programs.**

NW Tech Tuition Waiver

The NW Tech Tuition Waiver allows 75% of tuition costs to be waived for eligible students. **The student will be responsible for program fees as well as the remaining amount of tuition.** Eligibility for this award includes adult students who graduate from high school or successfully complete a high school equivalency diploma while residing in the NWTC District OR students who are currently living in the NWTC District. The NW Tech Tuition Waiver can be used within 3 school years from the time of high school graduation or receiving a high school equivalency diploma. The student may choose to attend NWTC half-time or full-time within the 3 school year timeframe. The NW Tech Tuition Waiver can be used towards tuition for one Career Option within a daytime Career Program. Waiver awards will vary depending upon the length of the Career Option chosen by the student. There is no dollar amount tied to this tuition waiver. Recipients of the NW Tech Tuition Waiver are required to maintain a minimum grade of C (2.0 GPA) and minimum attendance of 90%. To be considered for this award, an application for the NW Tech Tuition Waiver must be completed along with an application for enrollment and an official high school transcript or copy of high school equivalency diploma. Steps to Apply for a Pell Grant

All adult students are encouraged to complete the "Free Application for Federal Student Aid" (FAFSA) at <https://fafsa.ed.gov>.

1. If this is your first FAFSA for this school year choose the box that says "Start Here". If you are making corrections or additions, choose "Log In".
2. Choose the appropriate box based on who is completing the FAFSA (student or parent). If you do not already have a FSA ID, click on "Create One" to create a FSA ID to serve as your legal, electronic signature. Be sure to write down your username and password – you will use them for all FAFSA's you complete while in school.
3. **PARENTAL INFORMATION:** If you are under 24 years old, are not married, do not have children that you provide more than 50% support for, are not in the military, are not in a court ordered legal guardianship, and are not homeless, then **you will need your parents to apply for a FSA ID and provide their tax information.**
4. Answer all questions on the application. Please note that HELP BOXES are available on the right side of the application.
5. Identify NWTC as your school choice. **NWTC's Federal Code for both the Alva and Fairview campus is 026000.**
6. **TAX INFORMATION:** When you come to the tax information section of the FAFSA, please use the "LINK TO IRS" IRS Data Retrieval Tool to automatically fill in your **2019** tax information. This will save time & the effort of having to provide extra tax documentation to the Financial Aid Office by automatically verifying your tax information. Be sure your address is EXACTLY as it appears on your taxes!
7. After completing your FAFSA, be sure to **sign it with your FSA ID** (and your parent's, if applicable) and then "Submit" it.
8. You will receive your Student Aid Report (SAR) in a few days by e-mail from the U.S. Department of Education. NWTC should receive it in 3-7 days and will notify you by mail of your eligibility and any additional documentation needed.

Verification Documents Required

Your FAFSA may be selected for review by the U.S. Department of Education for verification of the information you reported. You may be asked to provide additional documentation for verification purposes. Failure to comply with verification requirements will result in forfeiture of aid.

These documents may include, but are not limited to:

- Proof of all income reported on the FAFSA
 - IRS Tax Return Transcripts or a signed IRS 1040 (only if you did not use the IRS DRT)
 - W-2's, 1099's, and a non-filer document or IRS Non-Filer letter
- Documentation or third party statements for special circumstances
- Completed and signed verification worksheets

Disbursement of Pell Grants

Federal Pell Grants will typically be disbursed twice a year, dependent upon when you enrolled in the career option and on whether the majority of the hours in a payment period falls within that award year. Pell Grant funds will be applied directly to your student account for the current school year. All financial aid funds will be disbursed by check through the Central Office on the date listed on your signed Pell Award Form. All charges, including tuition and fees for the current school year, must be paid in full before any refund will be issued to you. If there is a credit balance after the funds have been applied, you will receive a refund check.

Please keep in mind that in order to be eligible for your Pell Grant disbursements, you must maintain Satisfactory Academic Progress - SAP (maintain a cumulative grade point average of 2.0 "C" or greater, maintain 90% attendance for each pay period, and keep a 150% pace of progression) and successfully complete all the clock hours and curriculum associated with the hours in each corresponding payment period. Please see the Financial Aid Director for more information.
