The Northwest Technology Center Cosmetology Program is approved by the Oklahoma State Board of Cosmetology and Barbering. Graduates of this state-approved program are eligible to apply to take the Cosmetologist license examination. Applicants for Oklahoma licensure must meet all state and federal requirements to hold an Oklahoma license to practice cosmetology. In addition to completing a state-approved cosmetology education program that meets educational requirements and successfully passing the licensure examination, requirements include submission of an application for licensure, a criminal history records search, and evidence of citizenship or qualified alien status [59 O.S. §§567.5 & 567.6]. To be granted a license, an applicant must have the legal right to be in the United States (United States Code Chapter 8, Section 1621). In addition, Oklahoma law only allows a license to be issued to U.S. citizens, U.S. nationals, and legal permanent resident aliens. Other qualified aliens may be issued a temporary license that is valid until the expiration of their visa status, or if there is no expiration date, for one year.

Applicants who are qualified aliens must present to the Board office, in person, valid documentary evidence of:

1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the United States;
2. A pending or approved application for asylum in the United States;
3. Admission into the United States in refugee status;
4. A pending or approved application for temporary protected status in the United States;
5. Approved deferred action status; or
6. A pending application for adjustment of status to legal permanent resident status or conditional resident status.

The Board has the authority to deny a license, recognition, or certificate; issue a license, recognition, or certificate with conditions and/or an administrative penalty; or to issue and otherwise discipline a license, recognition, or certificate to an individual with a history of criminal background, disciplinary action on any professional or occupational license or certification, or judicial declaration of mental incompetence [59 O.S. §567.8]. These cases are considered on an individual basis at the time application for licensure is made, with the exception of felony convictions. An individual with a felony conviction cannot apply for licensure for at least five years after completion of all sentencing terms, including probation and suspended sentences, unless a presidential or gubernatorial pardon is received [59 O.S. §§567.5 & 567.6].

PHILOSOPHY

The faculty of the cosmetology program supports the philosophy of the Northwest Technology Center and cosmetology standard of Milady's Standard Cosmetology. The faculty has integrated a conceptual framework in the development and delivery of a focused cosmetology curriculum. The curriculum concepts are basic manipulative skills, safety judgements, proper work habits, obtain desirable attitudes necessary to achieve competency in entry level job skills, and obtain licensure and gainful employment in the field of cosmetology or related career fields.

Adult learning is a self-initiated, adaptive process that can be stimulated by an atmosphere of motivation, creativity, and mutual respect in working with adults in the role of the student cosmetologist, progress is from dependent action toward reflection. It is through reflection that the student can experience professional and personal growth.

Cosmetology Education involves inclusion of but not limited to lecture, demonstration, live work, small group activities, classroom instruction, lab simulation and clinical experience involving fellow students and the general public. The instructor and facility make every effort to provide exposure to up-to-date technological cosmetology equipment and systems found in today's evolving salon/spa environment and other learning activities. Students will be expected to participate in class along with hands-on activities while working independently and in groups. Included in the course will be the opportunity to participate in a student organization, Skills USA, which will provide local, regional, and state competitions as well as professional development opportunities.

Tuition and Fees

The required tuition payment for the Cosmetology program is due when class starts unless the student is eligible for a Federal Pell Grant, or the student has provided the school with an authorization or statement from a funding agency stating they will be paying the student's tuition. It is the student's responsibility to make these arrangements.

A student's tuition must be paid in full before the student will be eligible to receive a certificate and before he/she/they may enroll in any future classes at Northwest Technology Center. A student who withdraws prior to paying tuition or before financial aid is arranged will be invoiced for the tuition owed according to the refund policy. Failure to meet unpaid balances will result in students being considered "not in good standing".

Please refer to the NWTC Student Handbook page 8 .

Tuition Refund Policy

Please refer to the NWTC Student Handbook page 9.

Financial Assistance

Northwest Technology Center financial assistance consists of: Pell Grant program; Workforce Innovation and Opportunity Act (WIOA); Oklahoma Tuition Aid Program (OTAG); Department of Human Services Vocational Rehabilitation; Veterans Administration; Otha Grimes Career Tech Scholarships; and Northwest Technology Center Foundation Scholarships. Contact the Financial Aid Director, Sonja Williams, at ext. 1036 or ext. 2037 for more information.

NWTC is in compliance with Public Law 115-407 Veterans Benefits and Transition Act of 2018 Section 103. NWTC will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that covered individual borrows additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institutions due to the delayed disbursement of a payment to be provided by the Secretary under chapter 31 or 33 of this title.

STUDENT POLICIES

Cellular/Electronic Devices Policy

Students will be provided a locker for storage of personal items. The school is not liable for any personal items lost or stolen. Personal items such as purses, earbuds, iPods, MP3 players, book bags, coats, wallets, etc. must be kept in your locker during class time. **A cell phone holder will be provided and checked to verify cell phones have been turned in, are off or on silent. Cell phones and other personal electronic devices are not allowed in the classroom or in the clinic. If an Apple Watch, earbuds, or similar device becomes a distraction, it will be stored in the locker or locked in the instructor's office until class is over and all clean up duties are complete.** It is very important for the student to give parents, spouses, babysitters, etc. the telephone number to the NTWC Fairview Campus for emergency telephone calls (580) 227-3708.

Social Media Policy

The goal of this policy is to provide some guidelines on proper social networking etiquette. This policy seeks to recognize the fact that in certain contexts, social media can extend the bounds of school related activity to include out of school activities.

Positive uses for Social Media:

1. Stay in contact with people you know.
2. Extend your network personally and professionally.
3. Formalize a relationship with someone you met in person by connecting online.
4. Establish new relationships with people you may not otherwise meet.
5. Learn who your acquaintances are connected to and ask for introductions.
6. Establish your credentials and build your reputation.
7. Connect with thought-leaders and learn about new trends, and see what others are saying about key issues and news.
8. Become an authority in your area of expertise.
9. Be the go-to-person for information and referrals.
10. Build trust.
11. Sharing information and engaging others helps you become more trusted over time and people do business with people they trust.

The internet is not anonymous, nor does it forget: Everything written on the web can be traced back to its author one way or another. Information is backed up and posts in one venue are often replicated in others. Use good judgment about content and respect privacy laws. Every student or employee is personally responsible for the content they publish on any form of user-generated media. Do not provide misleading, false or confidential information about the school, the NWTC staff, students or customers.

There is no clear line between your work life and your personal life: With the ease of tracing authors back from their posts, finding the actual identity of a poster from a few posts and a screen name is not impossible. This creates an avenue for outside parties to link your personal writings to those you've done in a professional capacity. Always be respectful and write as if everyone knows you.

The golden rule: Never write or say anything you wouldn't say out loud to all parties involved. Treat others the way you would want to be treated and don't use social media to subject the employees, students or customers to ridicule or intentional infliction of mental distress. Truth is not a defense. Just because something may be true does not mean it is ok to broadcast it to the world.

Avoid hazardous materials: You may post content that is not threatening, obscene, a violation of intellectual property rights or privacy laws, or otherwise injurious or illegal. You may not cite or refer to the staff, students or customers without their approval.

Maintain confidentiality: Be respectful of confidential, proprietary or insider information in regards to NWTC. This also means that the personal information of the employees, students and customers should not be shared on or disclosed through social media. Commenting on your own or another's posts to create a false sense of support is not cool and neither is plagiarism.

Be authentic: Identify yourself. This will add credibility to your profile and you personally. If you are not comfortable posting something under your real name, it is probably something you shouldn't post. Steer clear of posting or linking to any materials that are defamatory, harassing or indecent.

Do not return fire: If a negative post or comment is found online about NWTC, someone you know, or yourself, do not counter with another negative post. Instead, offer to remedy the situation through positive action. Be professional in all situations, especially when accepting criticism.

The last word: Representation of your personal opinions as being endorsed by NWTC, it's staff, customers, or student body in whole or part is strictly prohibited. You may not use the NWTC name, likeness or logo to promote any opinion, product, cause, brand, or candidate.

PRIVACY POLICY

Neither students nor staff may make recordings, videos, photos or likenesses of the school, other students, customers, the staff or school property without the written permission of the school director and the person in question. No student may record a class in any fashion unless they have written permission from the instructor and the recording device is visible to everyone in the classroom. Recordings, if permitted, may only be used for the individual student's course study. Neither students or staff may place comments or posts on social media, or online, that reflect negatively on the school, its students, staff, administration or campus. All institutional records are maintained according to Oklahoma State Board of Cosmetology & Barbering, state and federal law.

Use of Computer/Internet Policy

Please refer to the NWTC Student Handbook page 26 and Technology/Equipment Check Out/In Form.

Destruction of School Property

All students are expected to be proud of the school buildings and property and keep it in the original condition. Cases of willful neglect or damage will be reported to the administration. Conduct which is not acceptable may result in termination from the program and from the school. Students are responsible for the care of the classroom, clinical and other school area property. If items are lost, destroyed, or stolen by a student, the student will be charged the purchase price for replacement. Failure to make such payment is cause for dismissal and/or for legal action to be brought against the student.

Students are expected to maintain a proper atmosphere. School employees have a responsibility to enforce policies that extend beyond their own program area assignment. Students who refuse to comply with a reasonable request of an employee discharging this responsibility will be subject to appropriate disciplinary action.

APPEARANCE AND DRESS CODE

Classroom and School

Each student will dress properly and be neatly groomed during class time or any school activities. A no tolerance policy exists in terms of attire as outlined below:

- Rule 175:10-3-64 from the Oklahoma State Board of Cosmetology and Barbering Rules and Statutes, page 34, states that **"No hours shall be credited to any student who is not in uniform during classroom or clinic practical practice training."**
- For class and program attendance:
 - * Clean smock and scrubs. These items will be purchased or approved by the cosmetology instructor. No low-cut t-shirts, colored long sleeve shirts (exception-black, gray, or white are allowed under scrubs), hoodies or scarves may be worn under uniforms. Contact the instructor if you have questions about the under shirts.
 - * Black closed toed shoes. Proper shoes are important to protect feet from chemical spills, possible infection from hair clippings, falling on wet surfaces and reducing strain on back muscles. Shoes are the responsibility of the student but must be approved by the cosmetology instructor.
- Ear gauge must be covered with hair or appropriate earrings. Tongue rings and facial piercings should not be cause for distraction to the learning environment or clients.

- Fingernails shall be in workable shape and length in order to be able to successfully improve speed and coordination. The instructor will teach practical speed, coordination, safety, and sanitation. Should the length or shape of the student's fingernails hinder any of these teaching areas the student may be asked to cut or reshape their nails to improve their learning experience.
- Personal appearance and hygiene are imperative for your professional image. You **must** come to class recently bathed, clean hair, teeth brushed, and clean uniforms. **Your appearance is part of your grade.**

175:10-7-7 Detection of Head Lice

- (a) If head lice is detected, the licensee, student or apprentice should not proceed with further services and shall wash and disinfect hands. Infected person should be referred to a physician or health clinic. The person should submit a statement, signed by a practicing physician, which states that he is no longer infected and is free from communicable episode before any services are performed.
- (b) Appropriate action is to wipe down all exposed areas with an EPA registered lice killing product.
- (c) Exposed towels and other linen shall be sealed in a plastic bag until such time as they may be laundered.
- (d) The immediate referral to a physician or health clinic shall also apply to any Board licensee, student or apprentice on whom head lice or other communicable disease, infection, or condition is detected.
- (e) The Establishment or school owner/manager shall be held responsible for assuring that no person performs services in a licensed Establishment or school when the owner/manager knows that any licensee, student, apprentice or patron is infected with head lice or other communicable disease. License may be subject to revocation or suspension in instance of non compliance.

SOCIAL/PERSONAL BEHAVIORS

Smoking is not allowed on school grounds at any time or on school field trips or events. There are no exceptions.

- Unprofessional social behaviors are not acceptable in the workplace and will not be tolerated while attending NWTC. These behaviors disrupt the learning processes and are not appropriate for the workplace. These unacceptable behaviors include:
 - Improper use of cell phone
 - Tardiness/excessive absences (3 tardies equal 1 absence)
 - Discussing sexual activities or beliefs
 - Visual hickeys are unprofessional.
 - Discussing personal religious preferences
 - Criticizing another student's work
 - Speaking in a foreign language in the presence of a client or person who cannot speak that language.
 - Arguing with an instructor
 - Refusing to service an assigned client or refusing to comply with the instructor's assignments.
 - Cursing or using foul or vulgar language
 - Engaging in disruptive behavior anywhere on NWTC campus
 - Cheating
 - Smoking, vaping, e-cigarette, or tobacco use on campus or school events
 - Drug or Alcohol use on campus or school events
 - Driving a vehicle during your scheduled break
 - Adults are not to have students in their vehicles.

NWTC Events and Field Trips

Each student will dress properly and be neatly groomed during any school activities.

- **Acceptable Attire** – slacks, jeans without holes, dresses, skirts, shirts, and blouses.
- **Not Acceptable Attire** – shorts, halter tops, miniskirts, crop tops, low cut blouses, flip flops, and similar garments. Ear gauging must be covered with hair or appropriate earrings. Tongue rings and facial piercings should not be cause for distraction to the learning environment or clients.

The dress code should reflect the students high school code as well as the NWTC Student Handbook dress code. All students should be dressed in appropriate attire with hair and makeup ready for the day. Students will arrive at cosmetology dressed according to dress code and then change into cosmetology uniform or vice versa. Learning time is limited; thus, it **is not an option** for the student to expect to get their hair and makeup ready for class or for high school/work during the cosmetology class session.

SCHOOL SPONSORED ACTIVITIES

Please refer to the NWTC Student Handbook page 25.

STUDENT ORGANIZATION

The faculty of the NWTC cosmetology believes it is important to foster and maintain cooperation and communication between the students and instructors and to ensure an intelligent understanding of student's rights and privileges, as well as duties and obligations. The faculty also believes that social activities play an important part in the development of well-adjusted individuals and citizens.

The NWTC cosmetology has several committees and student activities that assist in this development.

- A. SkillsUSA student organization—Membership in SkillsUSA offers students an opportunity to develop leadership skills and abilities in addition to developing the knowledge and skills essential for a career in the trades sector. In addition, it provides students with the opportunity to exchange ideas, information, and fellowship with other students with the same career interests. Membership fees are included in the activity fees paid at enrollment.
 1. The faculty will serve on an advisory capacity.
 2. The following representatives will be elected:
 - (a) A Faculty Committee Representative will be selected. The representative will act as a liaison between Cosmetology instructor and peers. The representative will report to peers.
 - (b) An Advisory Committee Student Representative will be selected. The representative will attend the Advisory Committee meetings serving as a liaison between the Advisory Committee and peers.
 3. Committees will be formed as need arises.
 4. The majority rules! Decisions reached by the majority will be recognized by all.
 5. Any disagreement with majority decisions will be discussed with the class advisor.
 6. In the event the majority elects to undertake an inappropriate action, the instructor of the program has a FINAL veto vote.
- B. National Technical Honor Society (NTHS)—each student has the opportunity to become a member of the NWTC NTHS. Criteria are based on grades, attendance, attitude, and leadership qualities.

SCHOLASTIC POLICIES

Evaluation and Grading:

For the purpose of progress evaluation, grading will be computed as follows:

- | | |
|-------------------|-----|
| ▪ Tests | 30% |
| ▪ Practical | 20% |
| ▪ Professionalism | 20% |
| ▪ Homework | 30% |

The following letter grades will appear in the student's permanent record:

A -- Superior	90 - 100% = A	NC -- No Credit
B -- Excellent	80 - 89% = B	I -- Incomplete
C -- Average	70 - 79% = C	W -- Withdrawal
D -- Below Average	60 - 69% = D	
F -- Failing	0 - 59% = F	

Students will be briefed in class on detailed grading criteria for this course. Students will be notified when examinations are scheduled. Quizzes may be unannounced. Students should speak to the instructors immediately if in question about the points given on any grade. All students must maintain an average of 70% or higher to continue in the cosmetology program. This will be evaluated on a continual basis, and if a student is not meeting this minimum standard and does not improve by the semester timeline, he/she may be dismissed from the program. This minimum standard is set to best prepare students for the State Board examinations which require a score of 75% or higher on both the written and practical exams. It is the responsibility of the student to obtain missed assignments. Students have one day for each day absent to make-up tests or quizzes. If this is not done, a zero will be recorded. Late work will **NOT** be accepted due to online accessibility of homework assignments.

Academic Dishonesty

Academic Dishonesty will not be tolerated in the cosmetology program as listed in the student handbook. Academic Dishonesty is defined as the falsification or fabrication of data/information and/or the failure to acknowledge source of information quoted within the body of work.

Examples are:

- | | | | |
|-----------|-------------|------------|-----------|
| *Cheating | *Plagiarism | *Deception | *Sabotage |
|-----------|-------------|------------|-----------|

Disciplinary action will be taken for academic dishonesty.

The student may:

- ✓ Be required to complete new assignment
- ✓ Receive a zero (0) for assignment
- ✓ Develop and implement improvement plan
- ✓ Be subject to probation and/or dismissal regardless of lack of improvement plan.

LIBRARY

The school has provided students with good resource materials. Students are asked to cooperate in helping us to take care of these materials so they will be available for the many students who will come through our program in the future. At no time should books leave the cosmetology classroom without special permission from the Master Instructor. Books that are lost must be paid for in full by the student responsible for the loss. The cost of marred or defaced books will be charged to the last student using the book.
