

Health Careers Certification

Fairview Campus

Phlebotomist

DESCRIPTION:

In this career option, students will master the skills that employers need in hospitals, nursing homes and assisted living centers. This is a hands-on program where students will learn the proper techniques to assist patients of all ages as they perform basic daily tasks that range from hygiene and grooming to helping patients walk, assisting wheelchair bound patients and transferring and transporting patients using safe assistive devices. Students will also learn vital signs and Basic Life Support Healthcare Provider CPR/First Aid. Upon completion of this career option, students become eligible to become certified as a nurse aide. This career option is also a platform to enter the nursing field and meets all of the pre-requisite requirements for NWTC's Practical Nursing program. NWTC is accredited by the Oklahoma State Department of Education, The Oklahoma Department of Career and Technology Education.
