Northwest Technology Center

Game Programmer

- ### DESCRIPTION:

Game programming technology is rapidly evolving and is growing by leaps and bounds. Students will have the opportunity to be part of a billion-dollar industry that has expanded to include science and education as much as it has in the entertainment industry. Through Game Programming at Northwest Technology Center, students will prepare themselves for a career in entertainment, government, education, sports, and medical industries. This program is accredited by the OSDE and the ODCTE.
