Medical Coding Specialist

- **DESCRIPTION:**

The Medical Office Assistant career option prepares students for entry-level employment in a variety of health care facilities. Students learn administrative routines and procedures followed in a medical office including correct medical terminology and advanced computer skills. Medical office accounting procedures, including patient billing and processing medical insurance claims, are covered. Adult students have the opportunity to participate in the "on-the-job training program through this career option. Students will prepare a portfolio which showcases examples of their work, certifications, resume and other professional information. This program is accredited by the OSDE and the ODCTE.
