

## Advanced Nursing Assistant

### • DESCRIPTION:

In this career option, students will master the skills that employers need in hospitals, nursing homes and assisted living centers. This is a hands-on program where students will learn vital signs and CPR/First Aid. Upon completion of this career option, students become eligible to become certified as a nurse aide. This career option is also a platform to enter the nursing field and meets all of the prerequisite requirements for NWTC's Practical Nursing program. This program is accredited by the OSDE and the ODCTE.
