

## Office Information Specialist

- DESCRIPTION:**

The Office Information Specialist career option helps students gain the technical and managerial skills needed for success in competitive business careers. They learn to integrate multiple software applications used in office settings. Students learn a variety of software packages used in desktop publishing/web design and develop the fundamental skills needed to create, revise, optimize and export graphics. Adult students have the opportunity to participate in the “on-the-job training program through this career option. Students will prepare a portfolio which showcases examples of their work, certifications, resume and other professional information. This program is accredited by the OSDE and the ODCTE.
