OKLAHOMA'S WORKFORCE LEADER

WORKFORCE & ECONOMIC DEVELOPMENT

Training Your Workforce Is Our Business!

- **Training for Industry Programs (TIP)**

Available for new and expanding businesses. Plant start-up training materials, supervision training, equipment for training, safety, first aid and CPR training.

- **Customer Service Training**

Provides your front line staff and your entire organization the skills to offer exemplary customer service.

- **Customized Industry Training**

Customized for retail, manufacturing, distribution, business services and much more! The training is industry specific and is provided at a low cost!

- **Existing Industry Training**

Designed to upgrade the existing workforce. This training is appropriate upon the acquisition of new equipment, processes, technology, computerized manufacturing applications and/or for new product lines.

- **Oil & Gas Training**

Provides training to the oil and gas industry including SafelandUSA Orientation, 10 Hour OSHA, 30 Hour OSHA, CDL Training and many services customized to the industry.

- **Business Start Up Service**

Offering assistance to clients who are interested in starting a business. NWTC can help local entrepreneurs in locating resources, developing business strategies and finding the right direction. Call to schedule a consultation for your business.

- **Adult Career Development (ACD)**

Provides on-going, short-term adult training. This training enables adults to upgrade practical skills and provides adults the opportunity to further explore areas of interest.

- **Leadership Training**

Explores various methods of leadership and how to work effectively with people at many levels and with many different personalities.

Northwest Technology Center Campuses are tobacco/smoke free facilities. Payment in full is required at the time of enrollment. Northwest Technology Center will NOT hold classes at either campus October 15 and 16 due to Fall Break.

CONNECTING PEOPLE

STRENGTHENING BUSINESSES

GROWING OUR REGION

The 6 Types of Working Genius

The 6 Types of Working Genius is a powerful productivity and teamwork model developed by Patrick Lencioni that helps individuals and organizations discover their natural gifts and areas of frustration at work. This training identifies six distinct "geniuses" that drive successful work: Wonder, Invention, Discernment, Galvanizing, Enablement, and Tenacity. By understanding which of these come most naturally, participants gain valuable insight into how they contribute best to a team and where they may experience burnout or inefficiency.

Through interactive exercises and team analysis, this program helps groups improve collaboration, enhance communication, and increase satisfaction in their roles. We are offering this class in a 2-hour and 4-hour option. See page 6 for details.

LAUNCH LOCAL BUSINESS MODEL COMPETITION

The Launch Local Business Model Competition was created to encourage entrepreneurship, remove barriers to business growth, and create opportunities for small business owners across the Northwest Technology Center district. Through mentorship, business planning, oral presentations, and direct financial support, contestants compete for cash awards to help launch or grow their businesses.

Across its inaugural competitions, Launch Local welcomed entrepreneurs representing diverse industries and multiple communities throughout the district. Contestants presented innovative ideas focused on strengthening local economies, creating jobs, and supporting other rural small businesses.

2 COMPETITIONS | 20 APPLICANTS
\$27,000 AWARDED

CLASS A OR CLASS B CDL Training Program

Start your career on the road with our 28-day Truck Driver Training Program. This comprehensive, hands-on course provides over 60 hours of behind-the-wheel experience, including 7–10 road trips totaling 300–400 miles, with a 2-students-per-truck ratio for personalized instruction. DOT examiners and testing are available on-site, making the certification process seamless. With a 99% job placement rate and an average first-year salary of \$61,000, graduates are fully prepared to enter the workforce with confidence. Cost: \$4,300 per person.

The CDL course at Northwest Technology Center is available as a partnership with Central Technology Center. The course rotates between the Alva and the Fairview campus throughout the year. Financial assistance is available to those who qualify.

Certified Nurse Aide, Long-Term Care

~Alva Campus - Begins Aug. 31; 8:30am - 4:30pm Fairview Campus - Enroll Weekly

This comprehensive program provides the knowledge and hands-on skills needed to deliver quality care to residents in long-term care facilities. Participants will learn essential topics such as patient safety, basic nursing skills, communication, and infection control, all while gaining valuable clinical experience. Upon successful completion, students will be prepared to take the Oklahoma State Department of Health certification exam. More class info on page 10.

Creative & Personal Interest

Grain to Table: Natural Bread Making ~ 4Generations Organic Farms Wheat Berries

~Alva Campus Tuesday, October 6, November 10 or December 8
5:30 - 7:30pm Cost \$20.00

In this one-night, hands-on class, you'll learn how to grind Red Winter Wheat berries into fresh flour and use natural, organic ingredients to craft homemade bread dough from scratch. Follow step-by-step demonstrations covering milling, rising, shaping, and baking—and enjoy the comforting aroma of fresh bread made by your own hands. Each participant will take home their own milled wheat berries to continue practicing this timeless skill. All supplies and ingredients are provided.

AAA Driver Improvement Program Training Class

*~Call today to schedule a class in your location! Cost \$30.00
~This class is offered on the Alva and the Fairview campuses.*

Sharpen your driving skills and become a safer, more confident driver with the AAA Driver Improvement Training Class. This comprehensive course is designed for licensed drivers of all ages who want to refresh their knowledge of safe driving techniques and defensive driving strategies. Participants will learn practical tips for handling today's road challenges, reducing risk, and improving overall driving awareness. Successful completion of the class may qualify attendees for a reduction in auto insurance premium-participants should check with their insurance provider for eligibility. The cost of the course is \$30.00 per person, and space is limited, so early registration is encouraged.

PRACTICAL NURSING

CALL 580.327.0344 TODAY FOR MORE DETAILS!

Class begins in late October 2026!

Call now for info!

The Practical Nursing program is an 11-month course which includes both clinical hands-on instruction and classroom lecture work. NWTC's program has received approval from the Oklahoma Board of Nursing and has two highly qualified and experienced instructors. Students who complete the program will be prepared to take the national licensure examination.

2025 Practical Nursing Graduates and Instructors

INFORMATION NEEDED PRIOR TO APPLICATION:

- **All transcripts.**
- **Immunization records**
- **Current CNA certification**
- **AHA Healthcare Provider CPR certification**
- **Medical Terminology**
- **Letter of reference from employer**
- **T.E.A.S. test**

Practical Nursing has a separate application and admission process and separate tuition schedule from other daytime programs offered at NWTC.

Call 580.327.0344 for information on enrollment.

The Northwest Technology Center is approved by the Oklahoma Board of Nursing. Graduates of this state-approved program are eligible to apply to write the National Council Licensure Examination (NCLEX) for Practical Nurses. Applicants for Oklahoma licensure must meet all state and federal requirements to hold an Oklahoma license to practice nursing. In addition to completing a state approved nursing education program that meets educational requirements and successfully passing the licensure examination, requirements include submission of an application for licensure, a criminal history records search including fingerprinting, and evidence of citizenship or qualified alien status [59 O.S. §§567.5 & 567.6]. To be granted a license, an applicant must have the legal right to be in the United States (United States Code Chapter 8, Section 1621). In addition, Oklahoma law only allows a license to be issued to U.S. citizens, U.S. nationals, and legal permanent resident aliens. Other qualified aliens may be issued a temporary license that is valid until the expiration of their visa status, or if there is no expiration date, for one year. Applicants who are qualified aliens must present to the Board office, in person, valid documentary evidence of: 1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the United States; 2. A pending or approved application for asylum in the United States; 3. Admission into the United States in refugee status; 4. A pending or approved application for temporary protected status in the United States; 5. Approved deferred action status; or 6. A pending application for adjustment of status to legal permanent resident status or conditional resident status. The Board has the authority to deny a license, recognition or certificate; issue a license, recognition or certificate with conditions and/or an administrative penalty; or to issue and otherwise discipline a license, recognition or certificate to an individual with a history of criminal background, disciplinary action on any professional or occupational license or certification, or judicial declaration of mental incompetence [59 O.S. §567.8]. These cases are considered on an individual basis at the time application for licensure is made. Potential applicants to state approved education programs, with a criminal history, may obtain a determination of eligibility for licensure or certification from the Oklahoma Board of Nursing for a fee. The Petition for Determination of Eligibility for Licensure or Certification form can be accessed at: <https://oklahoma.gov/nursing/criminal-history.html> The Oklahoma Board of Nursing Mailing address: P.O. Box 52926 Oklahoma City, OK 73152 Physical address: 2501 N. Lincoln Blvd., Ste. 207 Oklahoma City, OK 73105 (405) 962-1800
