

Superintendent's Leadership Class

Purpose

This program is designed to identify both secondary and post-secondary students with the desire, experience and characteristics to become leaders at NWTC. Activities will take place during the school year to build leadership skills, to develop ambassadors for NWTC and to recognize the best and the brightest future leaders. Students will take part in meetings including: team building, governmental awareness and much more!

Selection Criteria

Participation is open to any secondary or adult student in the Northwest Technology Center District. Students from each campus will be selected for this program. Equal representation from all parts of the district will be sought. A selection committee comprised of members of the NWTC Administration will conduct a brief interview with potential members.

Attendance At Class Meetings

In order for students to get the most out of this program, attendance is required at all events. When students miss more than two class sessions, they will be asked to withdraw from the program. Students selected for the class will be asked to sign a contract for attendance.

Instructions

1. Interested students must complete an application. The application must be typed or can be computer generated if a similar format is used.
2. Each applicant is required to have three recommendations. Two forms may be completed by a Career Tech Instructor or employee. One form must be completed by a community leader, high school counselor or employer who is familiar with the student and has known the student for at least one year. The recommendations must be postmarked by Sept. 4. Return envelopes for recommendation forms can be picked up by the applicant at the front office.
3. The application form is due to the front office no later than 5pm on September 4, 2026.
4. Students will be required to complete a short interview with the selection committee. The student will be notified with the time and date of the interview after the application is received.
